CALL FOR PAPERS

The Rural Electric Power Conference (REPC) is an exceptional conference for professionals providing practical information about the planning, design, construction, operation and analysis of electrical distribution systems. We aim to promote knowledge sharing, innovative ideas and practical solutions in the field of rural electrification.

Abstracts are being requested for both paper presentations and learning sessions. They will be subject to thorough technical and peer reviews.
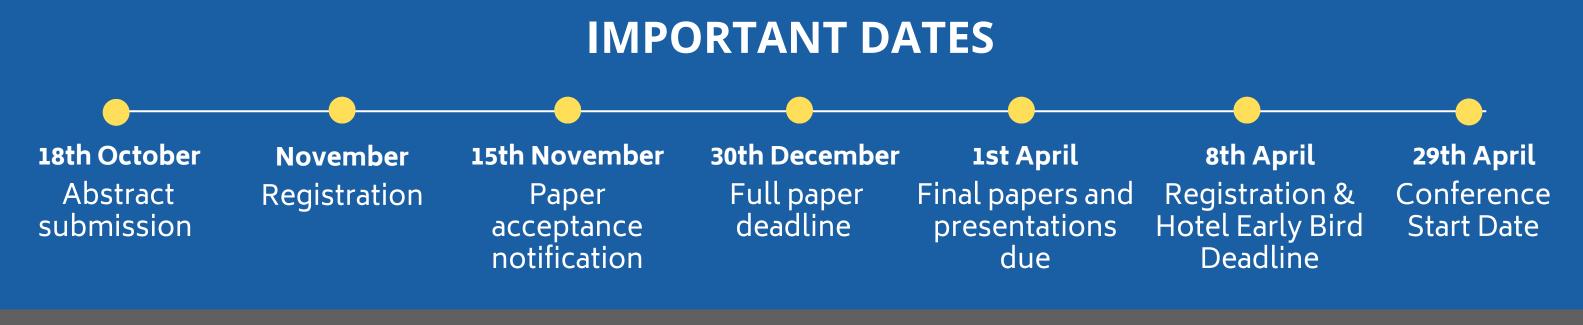

- **Paper presentations:** 20 minute presentation, 10 minute Q&A session, PowerPoint required, will be published in the conference record.
- **Learning sessions:** 30 minutes, are not published.

To submit an abstract go to ieeerepc.org for more information

PAPER TOPICS MAY INCLUDE

- Computer Applications for Utilities
- Distribution Automation/SCADA
- Power Quality and Reliability
- System Planning and Design
- Utility Construction: Projects, Applications and Concepts
- Distributed Generation
- System Inspection and Maintenance
- Regulatory Issues and Solutions
- Novel Technical Applications on a Distribution System

DEADLINE 18th October 2024

IMPORTANT DATES

18th October
Abstract submission

November
Registration

15th November
Paper acceptance notification

30th December
Full paper deadline

1st April
Final papers and presentations due

8th April
Registration & Hotel Early Bird Deadline

29th April
Conference Start Date
